HERE'S HOW IT WORKS

1. Make a purchase at participating Chamber member businesses.
2. Receive punches for the value of your purchase or service received.
3. Fill your loyalty card(s) and return them to a designated drop box at HOMETOWN FOODS to be entered into monthly drawings.
There is no limit to the number of cards an individual can return.
No more than one loyalty card (a maximum of \$200 in punches) can be completed per single purchase.
4. Drawings will be held on the last business day of the month for \$50 in Chamber Bucks. Winners will be contacted by phone and announced on the Traer Chamber Facebook page.
